RESPONSE TO THE SECOND NOTICE TO FILE MISSING PARTS

In Response to the Notice to File Missing Parts of Application mailed on March 18, 2002, please find enclosed the following papers: (1) a copy of the Notice to File Missing Parts of Application mailed on October 1, 2001; (2) a copy of the Response to the Notice to File Missing Parts of Application mailed on October 1, 2001; and (3) a copy of the Notice to File Missing Parts of Application mailed on March 18, 2002.

A Notice to File Missing Parts for the above-referenced application apparently was mailed on October 1, 2001. However, the Applicants never received the Notice to File Missing Parts that was mailed on October 1, 2001 (possibly as a result of the interruption in mail service). The Applicants became aware of the mailing of the Notice to File Missing Parts mailed October 1, 2001 only as a result of an inquiry by the Applicants to the U.S. Patent & Trademark Office. The Applicants thereby requested a copy of the Notice to File

Missing Parts, which was subsequently faxed to the Applicants on February 25, 2002. The Applicants filed a Response to the Notice to File Missing Parts mailed October 1, 2001 on February 28, 2002. The Applicants subsequently received a second Notice to File Missing Parts, which was mailed on March 18, 2002.

It appears that the Response to the Notice to File Missing Parts and the Notice to File Missing Parts mailed on March 18, 2002 may have crossed in the mail or in the U.S. Patent & Trademark Office. In any event, the Applicants believe that they responded completely to both of the Notices to File Missing Parts with the filing of the Response to the Notice to File Missing Parts that was mailed on February 28, 2002.

Respectfully submitted,

Date: March 25, 2002
